CUPE 2011 Members Vote 94% in favour of Strike Vote

Yesterday CUPE 2011 members voted 94% in favour to support the strike mandate. We want to thank all of our members who participated in the democratic process, the membership turnout was amazing.

This vote sends a clear message to the Employer that a third consecutive roll over is unacceptable and that workers at Saanich are united behind their Union.

Your Union is in the process of preparing for the next steps to support our efforts. We will continue to provide updates as they occur.

On behalf of the CUPE 2011 Bargaining Committee.
