

### **Picket sign up October 6, 2022**

A huge thank you to our picket co-ordination committee for their hard work in organizing a picket sign up with very little notice. Hundreds of CUPE 2011 members have signed up for picket duty shifts and completed their strike pay form in our fight for a fair deal! Thank you to our members for your amazing support and solidarity.

### **Missed Picket Shift Sign up?**

If you were out of town, or sick for the recent sign-up dates, there will be a second opportunity. The picket coordinators will be again at the **Greek Church on Elk Lake Drive from 3:00pm - 5:30pm on Thursday October 13**. This will likely be the last opportunity to sign up for picket duty. Sign up in person is necessary due to the signature requirement for strike pay from CUPE National.
